11. List your academic interests:

12. List your non-academic interests:

13. What would you like to gain from this program? Please rank the options below according to your interest (1-lowest, 5-highest, not decided: if you haven't thought about it yet.)

| | 1 | 2 | 3 | 4 | 5 | Not decided |
|--|---|---|---|---|---|-------------|
| Guidance on registering for courses (required, electives) | | | | | | |
| Finding research opportunities in UCF (help in choosing a professor for independent research or REU), or outside (REU in other universities) | | | | | | |
| Help through applications for graduate school | | | | | | |
| Help in finding internships or Co-ops | | | | | | |
| Help with issues in team assignments, professors or your boss | | | | | | |
| Networking with other girls in the School of EECS | | | | | | |

14. Is there anyone who you think will also be participating in the program? With whom would you like to be matched if possible?

15. Are you a member of IEEE and WIE?

16. Do you have any thoughts about your next step in your academic or professional career? If you are an undergraduate, are you planning to apply to graduate school, or getting a job in the industry.

17. Please write down the days and times (morning, afternoon, evening) you will be able to meet within the week days?
