WEECS goes to:

Grace Hopper Celebration
of
Women in Computing

WEECS goes to GHC

- Send a group every fall
- Funded by department

What it is

- The **LARGEST** technical conference for women in computing

- Recognize those who have made a difference for helping women in computing

Sessions

- special sessions focus on **the role of women in today's technology fields**
- Presenters are *leaders* in their respective fields
- Talks about latest technology
- Workshops, career advice

KeyNote Speaker

■ Different keynote speakers everyday
■ Previous years:
  ▪ Sheryl Sandberg,
  ▪ Satya Nadella, etc.

Career Fair

- *3 full days* of Career Fair
- **100+ companies**
- Most get 3-4 interviews

Communities

- Sponsored events

- Latinas in Computing
- Women of Color in Computing
- Systers

Recruiting Events

- Private catered meals/parties held by recruiters
- talk to employees & learn about company
- Great for networking!

How to go with weecs?

- Be an EECS student during Fall 2015 semester
- GET INVOLVED in WEECS
  - Attend meetings
  - Volunteer
- Apply to go us(applications open in May)
- WEECS will request funding from department
  - Funding will determine how many we can take

Alternative Methods

- Apply for scholarships – Anita Borg, Facebook, Google
  - We will inform you about them
  - Apply to at least 1 before asking to go with us
- Interning for a company? Ask if they can sponsor you!
