## Coming Soon: Advice Column

Have you ever had a burning question about being a woman in EECS, especially at UCF? Maybe you would like advice about a situation or just want to share a story. This is the place for you!

Just go to our website, [women.eecs.ucf.edu](http://women.eecs.ucf.edu) and click on the “Contact Us” link. Submit any questions, concerns, stories, or anything else you’d like and UCF’s women in computing will

see to it that you receive a response. Some submissions will appear in next month’s newsletter, so be on the lookout!

## Scholarships and Opportunities

- ◆ Women in Technology Scholarship - Must be a woman pursuing a career in computer science/engineering, IT, or related field. Due date: March 9th, 2015. <http://www.trustvip.com/about-vip/community-support/women-technology-scholarship-wits/>
- ◆ Computer Science and Computer Engineering Academic Award - Must be pursuing a degree in computer science/engineering with a minimum of 30 semester hours still to be completed. Due date: April 1st, 2015. [education-portal.com/pages/Computer\\_Science\\_Academic\\_Scholarship.html](http://education-portal.com/pages/Computer_Science_Academic_Scholarship.html)
